

# NR10

Product no.: T0058736870N

## Benefits

- › The ND and NQ nozzles have an integrated pre-heating plate for pre-heating components by means of contact heat. Air outlet slots are located around the plate with a width of approx. 1 mm for the hot air.

### Technical Data

|                          |                              |
|--------------------------|------------------------------|
| Tip shape                | Round nozzle, without vacuum |
