

# NQT25

Product no.: T0058750742N

## Benefits

NQT25

### Technical Data

|                          |                                                         |
|--------------------------|---------------------------------------------------------|
| Tip shape                | Hot air nozzle, 4 sides heated, without protruding edge |
| Length mm                | 18                                                      |
| Length inches            | 0.709                                                   |
| Width in mm              | 18.0                                                    |
| Width in inches          | 0.709                                                   |
| Outer diameter in mm     | ---                                                     |
| Outer diameter in inches | ---                                                     |
| Inner diameter mm        | ---                                                     |
| Inner diameter inches    | ---                                                     |
| Nozzle length in mm      | ---                                                     |
| Nozzle length in inches  | ---                                                     |
| Packaging unit           | 1                                                       |
