- Locking pin holds boards in place. To engage or disengage, simply press with finger
- Double channel permits side-by-side mounting
- Includes mounting hardware: screw, washer and lock washer
- Material: Card Guide: GF Nylon 6; Color: Grey; Locking Mechanism: HDPE; Color: Black, Metal Pin: Stainless Steel; Screws: Mild Steel, Zinc Plated; Washers: Stainless Steel; Threaded Insert: Brass
- Mounting Hole Panel Thickness: Up to .125 (3.18) with M3 Screw (provided)
