### Technical data

#### Dimensions

|                         |                           |
|-------------------------|---------------------------|
| Wrench size, union nut  | 24 mm                     |
| External cable diameter | 4.5 mm ... 5 mm (Cable 1) |

#### Ambient conditions

|                                 |                   |
|---------------------------------|-------------------|
| Degree of protection (IP)       | IP65              |
| Ambient temperature (operation) | -40 °C ... 125 °C |

#### General

|                              |                     |
|------------------------------|---------------------|
| No. of conductors            | 2                   |
| Material, pressure screw     | Nickel-plated brass |
| Seal material                | TPE                 |
| Cable seal material          | TPE                 |
| Sealing material             | TPE                 |
| Shielded                     | no                  |
| Thread type on seal side     | Pg16                |
| Tightening torque, union nut | 7.50 Nm             |
