

## DisplayPort 1.2 to VGA Active Adapter Cable, DP with Latches to HD15 (M/M), 3 ft.

MODEL NUMBER: **P581-003-VGA-V2**

Converts a DisplayPort v1.2 video signal for display on a VGA monitor, projector or television.

### Description

The P581-003-VGA-V2 DisplayPort 1.2 to VGA Active Adapter Cable connects a DisplayPort computer to the VGA port on a monitor, projector or television. With a latching DisplayPort male connector on one end and an HD15 male connector on the other, this cable requires no separate adapter. It lets you use your existing VGA display instead of buying a new DisplayPort monitor.

Ideal for displaying video on a large monitor or digital sign, this cable supports computer video resolutions up to 1920 x 1200 and high-definition video resolutions up to 1920 x 1080 (1080p). It converts both Single-Mode and Dual-Mode (DP++) DisplayPort output, and is perfect for use with graphics cards, such as AMD Eyefinity, that do not output DP++ signals.

First-class foil and braid shielding delivers reliable, error-free signal quality and protection from EMI/RFI interference. Nickel-plated connectors with gold-plated contacts ensure excellent conductivity. The DisplayPort plug latches to the port to provide a secure connection. Integral strain relief ensures the cable and molded connectors last a long time.

### Features

#### Send High-Quality DisplayPort v1.2 Video Signals to a VGA Display

- Connects DisplayPort computer to VGA-enabled monitor, projector or TV
- Ideal for displaying video on large monitor or digital sign
- HD15 and latching DisplayPort male connectors
- No separate adapter required

#### Vibrant, Superior Video Quality

- Supports computer video resolutions up to 1920 x 1200

### Highlights

- Active adapter for use with any Displayport port
- Supports computer video resolutions up to 1920 x 1200
- Supports HD video resolutions up to 1920 x 1080 (1080p)
- No separate adapter required
- Nickel-plated connectors with gold-plated contacts

### Package Includes

- P581-003-VGA-V2 DisplayPort 1.2 to VGA Active Adapter Cable, 3 ft.
